### **Participants Oath**

We the participants in the Manitoba High School Volleyball Provincial Championships, believe in the spirit of competition in sport.

We take to heart the words of Baron de Coubertin, the father of the modern Olympics, when he said:

The Most important thing in the Olympic Games is not to win, but to have taken part, the important thing in life is not to triumph but the struggle, the essential thing is not to have conquered, but to have fought well.

I pledge in the name of all participants and in the spirit of the Olympic creed, that we will take part and perform to the best of our ability in the Manitoba High School Volleyball Provincial Championships in the true spirit of sportsmanship for the honor of family, friends, and fellow competitors.
