

## LETTER OF ACCEPTANCE

Date: \_\_\_\_\_

Dear Parent/Guardian,

I am please to inform you that your son/daughter has been named to the \_\_\_\_\_  
\_\_\_\_\_ Team.

I am sure that his/her involvement with this school-sponsored activity will provide you child with the opportunity to develop a variety of skills. Besides skill development, your child will develop in the areas of time management, self-discipline, sportsmanship and fair play, self-confidence, decision-making, and understand the importance of commitment and a strong work ethic.

Your child will be expected to make a dedicated commitment to the team, and as you can see from the enclosed schedule, this can be very demanding. All team members are aware that school responsibilities come first and that they must maintain good attendance and keep up with all assignments. Players are asked to discuss with the coach any conflicts with other commitments, well in advance of the conflict, so that the necessary adjustments to practice plans and game line-ups can be made.

I look forward to meeting you and encourage you to attend as many games as possible. Your support will be greatly appreciated.

If you nave any questions or comments, please do not hesitate to call me at the school or drop by before practice.

Yours truly,

School Coaching Staff
