
MHSAA UPDATE

September 10, 2008
Number 2

1. **Zone Sport Websites** - If there are any zones (or conferences) that have websites, please email Carey (Carey@mhsaa.ca) with the link so that we can create a link off of our website. We would simply appreciate a listing of all the zone websites in our membership. Also, if your zone doesn't have a website, but has a website for a specific sport, please ensure that Carey receives this.
2. **Distance/Cross Country Training** - Athletics Manitoba is presenting a one day clinic on **September 20** to help athletes (juvenile and older) and coaches in their cross country and distance training. The \$40.00 registration includes lunch and a long sleeve t-shirt. Registration deadline is September 15th. For more information, please contact Athletics Manitoba at 925-5792
3. **Rural Soccer Championships** - the boys venue has been moved from Shoal Lake to Hoopers Lake, which is 10 minutes South of Birtle. For Accommodations, please consider Virden and Russell, as they are 35 minutes away. (accommodations are on page 29 of the Provincial Handbook). Also, the official Soccer Ball will be the Nike T90 250 or 400 (apparently they are no longer making the 300 as per page xvii in the Handbook).
4. Looking for a **volleyball Coach** in Winnipeg - John Mcleod is a 19 year old University student who played last year with Guelph University. He is interested in Coaching a volleyball team in Winnipeg. If you would like to contact him, his phone number is john_mcleod@hotmail.com or 720-0787.
