

Rural Provincial Track & Field Meet - 6/3/2005 to 6/4/2005
Results

The Rural Provincial Track and Field Meet concluded today at the Selkirk Stadium. The rains held off and many of the nearly 1000 athletes that took part in the event took advantage of great conditions to put up excellent performances. One of the meet's highlites was the triple jumping of grade 12 Aaron Bruce of St.Laurent, who not only broke his own personal and rural provincial records in the triple jump, but has clearly set his sights on the oldest Manitoba high school record in the book. The mark of 13.81 m was set by Bob Lovatt of Gimli way back in 1967 and is in jeopardy of being broken. Aaron posted a jump of 14.03 m and hopes to duplicate that effort next week at the University of Manitoba. Full meet results are shown below.
