MHSAA Student Manager of the Year Selected!

The Manitoba High Schools Athletic Association is pleased to announce that Crystal Alexiuk of Morris School has been awarded the MHSAA High School Student Manager Scholarship.

Crystal served as manager of both the Varsity Girls Volleyball and Basketball Teams this season. She was at every game and rarely missed a practice. Her coaches indicate that she assists in day to day coordination and organization for the teams. Crystal is also a member of the Student Council and volunteers at countless school functions. She also volunteers at a local Youth Drop In Centre and for students at Sunday School Nursery and Food Bank.

Crystal will receive a \$500.00 Scholarship to be used towards post secondary education.

This award is sponsored by MHSAA Executive Director, Morris Glimcher, who was a student manager for the Varsity Boys Basketball Team at St. John's High School, and later at the University of Manitoba.

The Manitoba High Schools Athletic Association is a voluntary, not-for-profit organization that coordinates school athletics in the province. Almost 30,000 young men and women participate in school sport with approximately 2,500 volunteer teacher coaches participate in MHSAA programs.
