

Tim Morrison has been coaching high school hockey in Killarney for over 15 years and

has enjoyed a tremendous amount of success. This month (March) the school has repeated as rural provincial champions. Tim commits many long hours from September until March developing a program that players aspire to be a part of. This year's record includes a very impressive 15-3 league record and a South Division Championship. In five tournaments, the team won twice and finished as finalists in the other three.
