Re: Scholarships

The Manitoba Hockey Players Foundation will, again, be awarding a \$1,000.00 scholarship to an outstanding high school hockey player. The awards, which will be selected by a committee representing the Hockey Foundation, is named in honor of the late Ken "FRIAR" Nicolson, former CJOB Hockey Broadcaster and member of the Provincial "AAAA" High School Hockey Committee, and National Female Team player Sami-Jo Small who was an outstanding high school athlete at College Jeanne Sauve.

Winnipeg Physiotherapist, D'Arcy Bain will also be presenting a \$500.00 scholarships named in honour of long time Winnipeg hockey coach, Fred Stevenson.

We are asking each team to nominate a player to be considered for these scholarships. Criteria taken into account include the individual's academic achievement, hockey participation, personal athletic achievements, citizenship, and other school activities. All of these categories should be specifically addressed, as they will all be given equal consideration. Only graduating grade 12 students may apply.

Enclosed is a copy of the application form and criteria, which we will require completed and received by the MHSAA by **March 13, 2009**
