## Memo

Date: February 18, 2012

To: High School Hockey Coaches

Re: Scholarships

---

The Manitoba Hockey Hall of Fame and Museum will, again, be awarding a \$1,000.00 scholarship to an outstanding male and female high school hockey player. The awards, which will be selected by a committee representing the Hockey Hall of Fame, are named in honour of the late Ken "FRIAR" Nicolson, former CJOB Hockey Broadcaster and member of the first Provincial "AAAA" High School Hockey Committee, presented to the most qualified male applicant, and former National Team player Sami-Jo Small who was an outstanding high school athlete at College Jeanne Sauve, presented to the most qualified female applicant

Winnipeg Physiotherapist, D'Arcy Bain will also be presenting a \$500.00 scholarship named in honour of long time Winnipeg hockey coach, Fred Stevenson, presented to a qualified applicant, not gender specific.

We are asking each team to nominate a player to be considered for these scholarships. Criteria taken into account include the individual's academic achievement, hockey excellence, personal athletic achievements, leadership, and other school and community activities. All of these categories should be specifically addressed, as they will all be given equal consideration. **Only graduating grade 12 students may apply.**

**All applications must include the applicant's e-mail address, and a letter from applicant outlining future educational plans**

Enclosed is a copy of the application form and criteria, which we will require completed and received by the MHSAA **by Wednesday, April 4, 2012**

If you have any questions regarding this scholarship, please contact Morris Glimcher at 925-5641. (morris@mhsaa.ca)
